

Riverbend School 2025-2026

Digital Citizenship Plan

Relevant contextual information about your school and School Development Plan:

- Riverbend School is K-6 serving the community of Riverbend.
- SDP Outcome: Through the intentional design of the learning environment, students will improve in literacy and wellbeing.
- Digital citizenship learning supports this outcome by ensuring students can use technology safely, responsibly, and in ways that enhance learning.

Relevant evidence and data that informs your Digital Citizenship Plan:

- Many students walk/ride independently to school and have personal mobile devices (PMDs).
- Students are increasingly confident using digital tools; our focus is supporting them in using these tools with purpose and intention.
- Increased online engagement continues to highlight the need for students to understand their digital impact, choices, and responsibilities.
