at
Riverbend School

on

Monday February 5th, 2024 – beginning at 7PM (1.5hrs)

for us to learn together and work through

Module 1 (of 3) of the

DARE TO CARE - Virtual Learning Program

We will watch together Module 1, have an opportunity for a
brief discussion and enjoy some light refreshments!

MODULE 1 - *Overview of Bullying - The Scope of the Problem,
Bullying vs Normal Peer Conflict, Types of Bullying.*

Dare to Care was founded in 1999 because of a need to address
the pervasive and crippling issue of bullying.

Never before has it been more important to support and
maintain safe, caring, and inclusive communities for our children
to thrive in, live, learn, and play.

We kindly ask that you leave your children at home this evening.

Please RSVP on the Signup Genius QR code so we can get an
idea of how many people we can expect.

WE HOPE YOU CAN MAKE IT!
